AFZA-MED

MEMORANDUM FOR Incoming 44th Medical Brigade Personnel

SUBJECT: Commander's Welcome Letter

1. Welcome to the 44th Medical Brigade, an organization with a rich and storied history, culminating in an ongoing legacy of service. We are confident you will find your time within our organization both challenging and rewarding. You are joining a team ready and capable of supporting our real world mission requirements, while balancing the equally important challenges of Family and Soldier quality of life. We welcome and look forward to your contributions.

2. The Officers and Soldiers assigned to the 44th Medical Brigade have a critical mission in support of the XVIII Airborne Corps. We are responsible on a daily basis both in garrison and deployed to provide the very best combat health support for America's Service Members.

3. We want to ensure that you have a smooth transition, and the Sponsorship Program is an important component to facilitate this. Within the next few weeks, you will have a chance to meet with us, the Brigade Commander and Command Sergeant Major, at our Newcomer's Briefing. Until then, we have the utmost faith that our Staff and Subordinate Commands will support you as you transition personally and professionally to the unit, whether it be an intra-post transfer or a Permanent Change of Station move.

4. Please take time to visit us on our webpage or Facebook site for valuable information about the post facilities, the area and for tips on making your relocation enjoyable. We look forward to having you in the Legion.

5. If you have any questions or concerns feel free to contact the Brigade S1 at 910-907-3439.
